Dear Parents,

We are starting our Wax Museum Biography project this week. Your child will need to choose a person that has contributed to our wonderful state of **Michigan** to research. Please help your child to get more information on this person by making a visit to the local bookstore, by going to the local library, or by helping search the Internet for appropriate information. The students need to have the research that they have gathered, along with their completed note-taking paper with them on **Tuesday, April 14th**. The students will be using the note-taking sheets to create a poster about the important person that they chose to research. We will do the post part in class. April 15th We will have a dress rehearsal in our classrooms. Students will need their costumes ready and speech memorized at this time.

On **May 7th**, all third grade classes are inviting parents and family members to attend our Wax Museum from **3:00 P.M. to 3:30 P.M.** **The students will need to bring their costume and be able to be dressed themselves. They may also bring in a small prop to help represent their person.** Each student will say a speech during the museum time to help teach others about the people that have contributed to Michigan.

Please contact us with any questions or concerns.

Sincerely,

Third Grade Teachers

List of Michigan People

Pick one Michigan person to complete your report for the Wax Museum. These people may not have been born in Michigan however, have impacted Michigan in a positive way. Even though these people have done many wonderful things in other states, please focus your report on what positive impact they have had on Michigan. If you find someone else that you would like to do your Wax Museum report on please send it in so that we can approve the name. There cannot be any duplicates per classroom, so please select your Michigan person as soon as possible. It is a first come first serve policy. Hand in two names that you would like to have and please be aware that you may have to change your name. You must have them selected by March 5th, otherwise you will be assigned one.
